

# Union strikes at UTC in Cheshire

Over 200 IAM Local 62A members who work for UTC Aerospace are on strike for affordable healthcare and decent wages

## Join the Picket Line for Justice

250 Knotter Drive Cheshire, CT

24 hours/7 days a week-cover *all* shifts *all* the time

### UTC's anti-family contract offers:

- 25 cents per hour for a five-year contract
- \$123 premium per week for family healthcare
- \$13,300 deductible for 100% coverage for families
- Separate payments for vision, dental, prescription drugs and more

***Since UTC posted \$14.7 billion in sales, and \$2.4 billion in profit why cannot they share a little with workers?***
